SUPREME COURT OF THE STATE OF NEW YORK
COUNTY OF _____
---X

                        Plaintiff,   Index No.:_____

-against-   **REARGUMENT ORDER**

                        Defendant.
---X
                        J.:

       Plaintiff / Defendant moves to reargue this court's prior order dated _____ which provides, in relevant part, _____ _____. The *plaintiff / defendant* opposes the motion.

       CPLR §2221 governs motions affecting prior orders. In this case, *plaintiff / defendant* seeks to reargue the court's order.

       A motion to reargue seeks to convince the court that it overlooked or misapprehended relevant facts or misapplied relevant law. Its purpose is not to permit a party to reargue once again the very questions the court has already decided. <u>Foley</u> v. <u>Roche</u>, 68 A.D.2d 558 (1st Dept. 1979). In the present case, the *plaintiff / defendant* fails to establish that the court has overlooked or misapprehended relevant facts or misapplied relevant law. Accordingly, *plaintiff / defendant*'s motion is denied.

       All matters not decided herein are hereby denied.

       This constitutes the decision and order of the court.

Dated:_____
